“Molding Strong Children into Powerful Young Adults”

Be a Sponsor

Let's JAM is an organization that encourages, teaches, and trains basic cheer and dance fundamentals to athletes ages 5-18. One of our main goals is to equip the athlete with the necessary skills to obtain scholarships to colleges within the state of Arkansas. We focus on instilling core values, morals, and standards in each child enabling them to increase their faith while decreasing their fear. We strive to encourage healthy short and long term goal setting and positive ways to achieve them. We promote self-discipline, self-growth, self-efficacy, academics, proper social interactions, positive decision making, appropriate participation in social, school and community groups, appropriate problem solving, and overall self-confidence.

Let's JAM Cheer and Dance is asking for your support. Your contribution is a direct investment in the future leaders of tomorrow as well as a dream becoming reality. Each and every sponsorship will help afford wonderful opportunities and experiences that will empower athletes to be exemplary members of society.

If you would like to help us mold strong children into powerful adults, please see the attached document for the different levels of sponsorship you can choose from. In addition, all benefits that you will receive at the various levels are listed next to each level. We are grateful for any support you give us and we look forward to hearing from you.
